Scientific Convention: The two (2) half day comprehensive accredited program covers a broad spectrum of the latest update in Medicine and Surgery designed for physicians and specialists to improve competence, performance, and patient outcomes. It addresses desirable physician attributes based on the ACCME/ABMS competencies, IOM competencies and Interpersonal Education Collaborative Competencies.

Credit Designation Statement: The PMAC designates this live activity for a maximum of 8 credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association™. **Physicians should claim only the credit commensurate with the extent of their participation in the activity.**

Accreditation Statement: This CME activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint provider ship of the Philippine Medical Association in Chicago (PMAC) and Far Eastern University Dr. Nicanor Reyes School of Medicine Alumni Foundation (FEUDNRSMAF). PMAC is accredited by the ACCME to provide continuing medical education for physicians. PMAC and FEUDNRSMAF take responsibility for the content, quality, and scientific integrity of this activity.

Disclosure: The PMAC and its joint provider require that FEUDNRSMAF speakers/faculty, moderators, planners, CME Committee members, and other individuals who are in control of the content of this educational activity to disclose any financial relationships to any ineligible company(ies) or any commercial conflict of interests that maybe related with the content/process of the activity for the last 24 months and requires to sign a financial relationship and commercial interest disclosure a month before the seminar. All identified conflict of interest is thoroughly eliminated by the PMAC for a fair, balanced, and unbiased CME activity.

Planners, faculty speakers and others who are in control of the content of this educational activity disclosed no relevant financial relationships to any ineligible company for the last 24 months.

CME Clinical Content Validation Policy: All recommendations for patient care are based on current science, evidence, and clinical reasoning, while giving a fair and balanced view of diagnostic, and therapeutic options. All scientific research referred to, reported or used in an accredited education in support or justification of a patient care recommendation conform to the generally accepted standards of experimental design, data collection, analysis and interpretation. Although accredited continuing education is an appropriate place to discuss, debate and explore new and evolving topics, these areas are clearly identified as such within the program and individual presentations. PMAC and its joint provider ship FEUDNRSMAF do not provide topics for, nor promote practices that are not or not yet adequately based on current science, evidence and clinical reasoning. Furthermore, PMAC and FEUDNRSMAF **do not** advocate for unscientific approaches to diagnosis or therapy, or if the education promotes recommendations, treatments or manners of practicing healthcare that are determined to have risks or dangers that outweigh the benefits or are known to be ineffective in the treatment of patients. **Educational content must be fair and balanced and supports safe effective patient care. This must follow the guidelines and standards of the ACCME as to accreditation.**

Commercial Support: There will be no commercial support for this CME activity.
